JOURNALS DISTRIBUTED BY AGU

Chinese Journal of Geophysics

Editor-in-Chief

Liu Guang-Ding,
Chinese Academy of Sciences, Beijing, China

A comprehensive journal on geophysics published since 1948; includes articles on solid and applied geophysics, space and atmospheric physics, ocean physics, and related fields. Sponsored by the Chinese Geophysical Society and the Institute of Geology and Geophysics of the Chinese Academy of Sciences.

Online Only, Volume 52

ISSN 0898-9591

Russian Journal of Earth Sciences

Editor

A. F. Grachev,
Institute of Physics of the Earth, RAS, Moscow

Provides the scientific community with the most important scientific results from Russian geoscientists. The journal, published by the Geophysical Center of the Russian Academy of Sciences, contains original papers in all areas of geology, geophysics, and geochemistry, including interdisciplinary aspects of mineralogy and stratigraphy.
