Applied Optics

ao.osa.org

The Optical Society of America's most widely read journal!

Applied Optics publishes original, peer-reviewed papers of interest to applied physicists, space scientists and astronomers, information processing scientists, optical, electrical and mechanical engineers, and biomedical optics researchers/engineers.

Coverage now includes an entire section devoted to biomedical optics in recognition of the importance of biomedical applications in the field of optics.

Special issues or featured topics for 2007:

- Laser Applications to Chemical, Security, and Environmental Analysis
- Topics in Biomedical Optics

Applied Optics is available online. For more information contact OSA.

Subscription order forms are available at www.osa.org/pubs/subscribers.
