

JCP: BioChemical Physics

jcp-bcp.aip.org

Editor

Marsha I. Lester,
University of Pennsylvania,
Philadelphia, PA

With an increasing amount of research being conducted at the intersection of biology, chemistry, and physics, AIP offers an online-only, topically based journal, comprised of articles from *The Journal of Chemical Physics*. Articles focus on the application of chemical physics methods and techniques to biologically related problems. The journal is organized into monthly electronic issues with article-at-a-time publication. Each article retains its JCP citation.
