Journal of Optical Technology

An English translation of the journal *Opticheskii Zhurnal* (published by the S. I. Vavilov State Optical Institute and D. S. Rozhdestvensky Optical Society, St. Petersburg, Russia)

jot.osa.org

Reports of optics research, optical instrument production and applications related to space, astronomical, medical, and other optical engineering

This journal includes basic and applied research in optics, design details, and technology production of a diversity of optical instruments along with a section on computational optics, optical materials, and detectors, useful to engineers, mathematicians, and physicists, as well as optical scientists.
