

Dear Colleagues,

I would like to take this opportunity to thank you for your hard work and dedication to the American Institute of Physics. I feel very fortunate to work with such a fine group of committed individuals, and am reminded often of the good work we do—every day—to advance the field of physics and the physical sciences.

Last week, we celebrated certain members of our staff for their years of service to AIP. Staff will hear more about this in the next issue of *AIP Employee Connection*, but I cannot pass up the opportunity to recognize these individuals here. Join me in congratulating the following staff on their milestone anniversaries.
