

Starting Salaries for Physics Bachelors

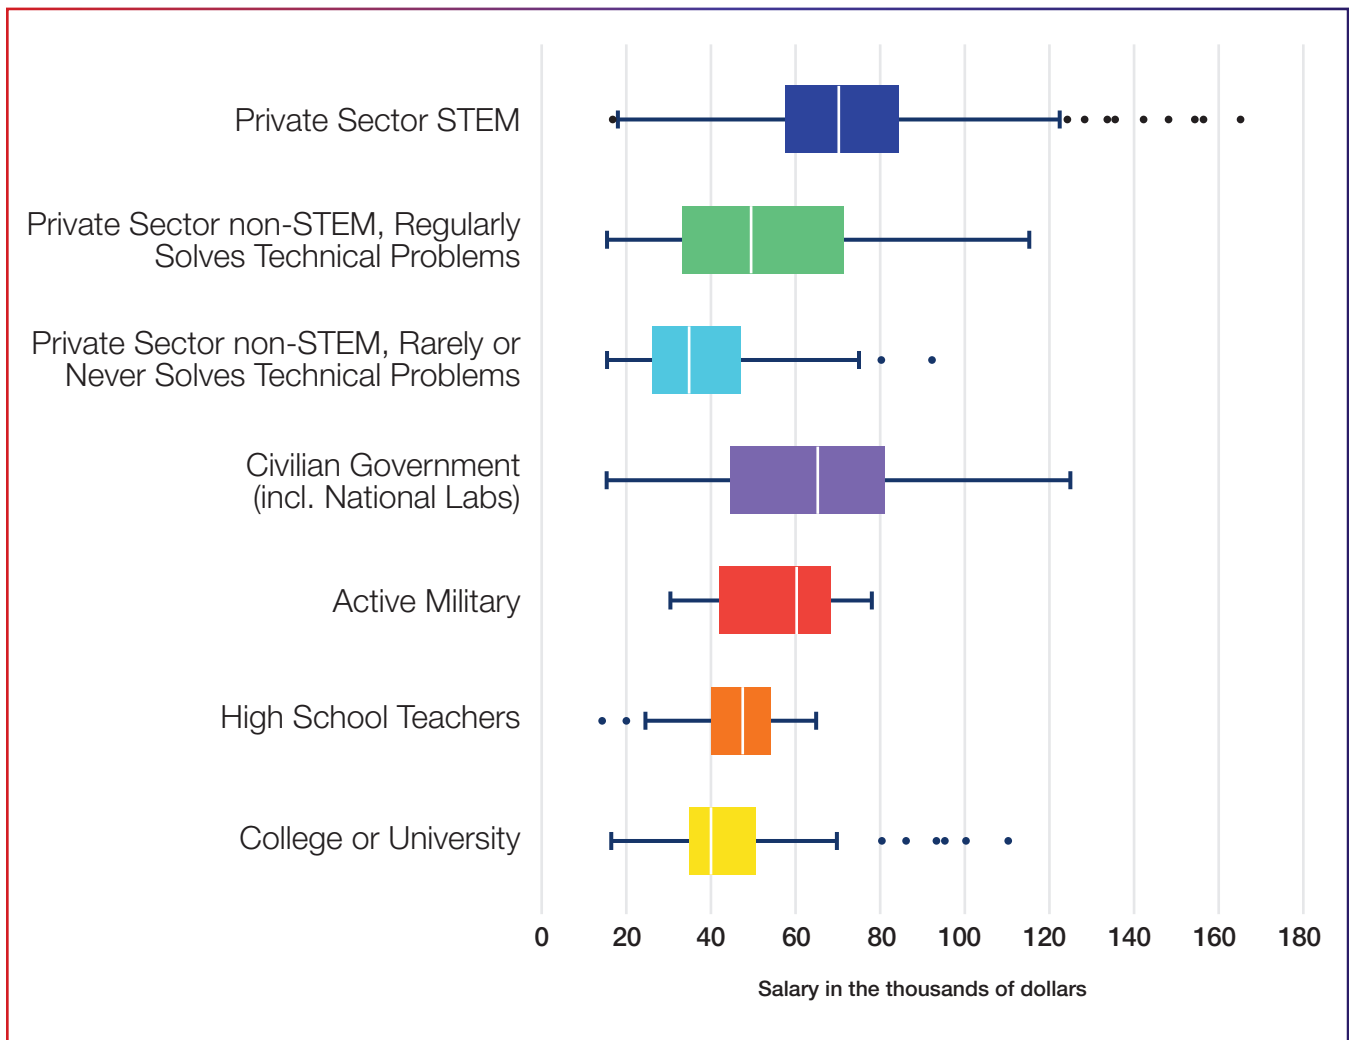

Figure only includes starting salaries for full-time employed, US educated physics bachelor's degree recipients from the classes of 2021 and 2022 combined. The box represents the middle 50% (25th to 75th percentile) of the salaries. The vertical line within the box represents the median salary. The full starting salary range, excluding outliers, is represented by the lines extending to each side of the box. The dots outside the lines are statistical outliers but actual salaries. STEM refers to positions in science, technology, engineering, and math.
